ROAD**

Position Description: Since 1979, folks living in poverty and experiencing houselessness have counted on Sisters of the Road as a place where they can dine in dignity on healthful, delicious meals. Our cafe at the corner of Portland’s NW Sixth and Davis streets is a space of refuge from a dominant culture that erects barriers to basic human needs, and then demeans and devalues those who are forced to live without. It is also a space where our community organizes to dismantle those systemic oppressions. Sisters is now seeking an Executive Director who can join us in that work as both a grounding and an invigorating force, someone who is deeply motivated by our mission to build authentic relationships and alleviate the hunger of isolation in an atmosphere of nonviolence and gentle personalism that nurtures the whole individual, while seeking systemic solutions that reach the roots of homelessness and poverty to end them forever. Our next Executive Director will be committed to the values and principles of Nonviolence, Gentle Personalism, Racial Justice, and Anti-oppressive practice. They will possess an awareness of structural oppressions, including their personal unearned privilege, and an interest in learning more while practicing allyship against oppressions. They will be adept at nonprofit management, including financial oversight, fund development, staff support and accountability, and strategic planning. They will be flexible, creative, steady, and responsive to Sisters’ customer community as they work with board and staff to continue transitions of internal structure.

Desired Skills and Experience:

1. At least five years’ progressively more responsible nonprofit management and leadership, including fundraising, staff management, strategic planning, and budgeting

4. Experience with consensus decision-making and ability to work and collaborate with others, including listening, empowering others to create and implement solutions, be self-reflective, and share power
5. Excellent interpersonal verbal and written communication skills and ability to build relationships within a diverse community; can authentically and compellingly voice Sisters’ mission
6. Strong organizational and time management skills and the ability to thrive in a fast-paced and sometimes chaotic environment
7. Experience with one or more of the following: living with homelessness or extreme poverty, being targeted by racism, community organizing, being involved with Sisters Of The Road, working in a restaurant.
8. Working familiarity with Microsoft Excel and Word, google platforms, Quickbooks, and fundraising databases

**SISTERS
OF THE
ROAD**

Position description:

The Executive Director links to each staff team and to the board. The ED participates at times in all teams, has the Organization Support Team as a peer-team, and organizes the Coordinator Team.

All staff at Sisters of the Road are expected to:

- Learn and practice the philosophies of nonviolence and gentle personalism;
- Learn and practice being a good ally against oppressions; and
- Have a commitment to a community-organizing model and a systemic change approach.

The ED's specific roles include:

- **Board of Directors:** The ED is a member of the Executive and Finance Committees and provides staff support for other committees. They are charged to support the Board to carry out its fiduciary, governance, planning, and board development duties. Initially, they will be supported in this work by the Board Link, a staff member who has provided connection to the board during collective management. (10%)
- **Coordinator Team (CT):** The ED organizes and provides support to the Coordinator Team, which is charged to manage issues that impact the whole organization (i.e. facilities, contracts, short and long-term organizational planning, budgeting, finances, and the Board) as well as peer support for coordinators and operations managers, input and direction during the development of team work plans, the annual budget process, and feedback. The ED supports other CT members in their main duties and is the main backup for Human Resources and Business Co-Managers in their absence. The ED supports and manages the CT, whose charge it is to develop agendas for all-staff meetings. All members of the CT report directly to the ED. The ED and the CT are responsible for assessing and, if necessary, making improvements to the organization's internal structure. (40%)
- **Budget Team:** The ED is directly responsible for facilitating the Budget Team and budgeting process and to overseeing financial reporting processes. In this, the ED works closely with the Coordinator Team and the Finance Committee. (5%)
- **Development Team (DEVOPS):** The ED supports DEVOPS in creating and carrying out their work plan by ensuring they have the resources needed to succeed, by representing Sisters in public, and by directly seeking support from funders and stakeholders. The ED is directly responsible for a portion of Sisters' annual fundraising, as identified in the work plan. (30%)
- **Systemic Change Team (SCOPS):** The ED supports SCOPS in planning and is available to represent Sisters with partners and at public events as an active ambassador for the work of the SC team (i.e. Legislative & Local, HBRC and Hygiene). They participate in identified groups that support the influence of the SC work. (5%)
- **Cafe Team:** The ED spends a portion of their time each week in the cafe, supports the team, spends time with customers, and participates in the everyday interactions that are at the heart of Sisters. The ED works closely with the Cafe Coordinator(s) and is the direct backup for HR and Business to provide robust support and full staffing for the cafe. (5%)
- **Grievance Team:** The Grievance Team is charged with resolving personnel issues that may result in termination. The ED is informed about and consulted regarding all grievance processes and decisions with the HR co-manager. The ED empowers the HR/Grievance Team to make these decisions, but advises on philosophy and process. If the grievance team is unable to make a decision, the ED holds the final decision-making responsibility. (5%)
