

**Criminal History Check  
Authorization Form  
JV/AmeriCorps Member  
2017-2018**

I understand that Jesuit Volunteer Corps (JVC) Northwest may obtain criminal history reports about me in connection with my application to serve as a Jesuit Volunteer (JV) /AmeriCorps member. These reports may contain criminal history information from federal, state, and other agencies, which may or may not be used as a factor in JVC Northwest's decisions about my application or about my continued service as a JV/AmeriCorps member. These reports will not include credit history reports. I authorize JVC Northwest to collect and review the above-mentioned criminal history reports at any time while JVC Northwest is considering my application, or throughout the duration of my service if JVC Northwest accepts me as a JV/AmeriCorps member. **I authorize without reservation any party or agency contacted by JVC Northwest to furnish the above-mentioned criminal history information.**

I understand that the criminal history reports JVC Northwest obtains may qualify as "consumer reports" under the federal Fair Credit Reporting Act. I understand that if JVC Northwest receives "consumer reports" about me and uses that information as the basis for an adverse employment action, JVC Northwest will provide me a copy of the report, a summary of my rights under the Fair Credit Reporting Act, and information about the applicable consumer reporting agency, before JVC Northwest finalizes any decision.

I understand that my final acceptance as a JV/AmeriCorps member is contingent on JVC Northwest determining, in its sole discretion, that my criminal convictions (if any) do not present a barrier to acceptance. I also understand that my continuing participation in the program is contingent on JVC Northwest determining, in its sole discretion, that my criminal convictions (if any) do not present a barrier to my continuing participation.

Refusing to undergo required checks or giving a false statement are grounds for disqualification; in addition, the AmeriCorps program refuses any candidates convicted of murder or sex offenses.
