

Ecological Justice Resources:

Events

- Town Halls
- Community events
- Events at local universities and colleges
- Conversations with co-workers and community members
- Other opportunities to learn from local knowledge

Books

- This Changes Everything
- Eaarth
- The End of Nature
- Don't Even Think About It: Why Our Brains are Wired to Ignore Climate Change
- Laudato Si
- Ishmael
- My Ishmael

Podcasts

- [Warm Regards](#) - podcast about our warming planet
- [Climate X](#) - Climate Conversations - a podcast to learn, connect and act on climate change

Movies

[How to let go of the world and love all the things climate can't change](#)

Documentarian Josh Fox travels the globe to meet with global climate change "warriors" who are committed to reversing the tide of global warming. Funny and tragic, inspiring and enlightening, the film examines the intricately woven forces that threaten the stability of the planet and the lives of its inhabitants.

[Chasing Ice](#)

A team of scientists on the Extreme Ice Survey assemble a multiyear chronicle of the planet's rapidly melting glaciers.

[This Changes Everything](#)

A look at seven communities around the world with the proposition that we can seize the crisis of climate change to transform our failed economic system into something radically better.

[Before the Flood](#)

Actor Leonardo DiCaprio meets with scientists, activists and world leaders to discuss the dangers of climate change and possible solutions.
