

JVC Northwest Job Announcement JV Program Coordinator

JESUIT VOLUNTEER CORPS (JVC) NORTHWEST is hiring two Program Coordinators (PC) to begin June 2019. The full-time positions based in Milwaukie, OR, in the Portland Metro Area, are highly collaborative and involve significant travel. Program Coordinators support and challenge 20-25 full-time Jesuit Volunteers (JV)/AmeriCorps members living in intentional communities and serving with people who are on the margins of society. One Program Coordinator will support our JV/AmeriCorps members in Alaska and the other will support our JV/AmeriCorps members in Montana. Program Coordinators must be committed to inclusion and equity in order to better serve our richly diverse JV/AmeriCorps members and local communities. These positions requires at least one year post-graduate experience in social activism, pastoral ministry and/or counseling, spiritual growth development, community building, resident assistance, and/or work with diverse peoples. Organizational skills are important as well as the ability to work independently and as part of a team. We are a faith-based organization with a focus on our core values of community, simple living, social and ecological justice, and spirituality.

Undergraduate degree required. Former Jesuit Volunteers or National Service Members preferred. Each Program Coordinator is employed at will. Successful clearance of pre-employment reference checks and criminal history background checks required for final hire. JVC Northwest's generous benefits package includes full medical/dental/optical coverage for the employee, disability and life insurance, and an employer sponsored retirement plan. There are 12 paid holidays, 15 days of vacation, and retreat time.
