

JustFaith Ministries is a non-profit organization committed to creating transformative programs that inspire action to address the root causes of injustice, while serving with love. JustFaith Ministries' core values are: love of neighbor, spiritual transformation, racial equity, justice, peacemaking, environmental stewardship and community-building.

We are seeking an individual who will serve as a local organizer for and coordinator of our programs in the Seattle metropolitan area. The primary responsibilities of the position are:

1. Recruiting volunteers who will commit to facilitating our 8-10 session programs
2. Coordinating programs in your area (establishing the day, time, place, location, etc. of each program offering)
3. Promoting the programs
4. Setting up 1-2 opportunities for "graduates" of JustFaith Ministries programs to connect

The ideal individual will have prior experience with our JustFaith Ministries programs, but this is not a requirement of the contract position. The preference is a commitment of two years on a 400 hour/year contract at \$25/hour.

If you or someone you know is interested in the position, please email Susie Tierney, Executive Director, at Susie@justfaith.org to apply or for more information.
