

2023 Proposal for Sponsorship

JVC NORTHWEST

Jesuit Volunteer Corps Northwest responds to local community needs in the Northwest by recruiting, placing, and supporting volunteers who provide value-centered service grounded in the Jesuit Catholic tradition.

Honoring the Divine at work in all things, we envision the Northwest as a sustainable region where all live in dignity, are treated justly and equitably, and actively contribute to their own empowerment and positive change in their communities.

Jesuit Volunteers are invited to engage in one or more years of full-time service with local organizations throughout the Pacific Northwest. JVs serve

communities while reflecting on social structures and cultures that contribute to inequity, in order to co-create a more just and equitable world. Jesuit Volunteers live together in community, serving in both urban and rural locales across Alaska, Idaho, Idaho, Montana, Oregon, and Washington.

JV EnCorps engages people 50+ in a rewarding experience of service, community, and spiritual formation. JV EnCorps Members commit to 10 months of part-time

service in their local communities and to the exploration of JVC Northwest's core values: community, simple living, social and ecological justice, and spirituality/reflection.
