

VISION & CALL COMMUNICATIONS INTERN

At JVC Northwest, we co-create our movement for social and ecological justice by building relationships, organizing events, and sharing our stories to support our mission. The Project Management intern will work alongside staff to develop fundraising strategies, create materials, and design a project throughout the internship. This experience will be apprenticeship style, at 30 hours per weeks on average, with some events throughout the year. The type of project and content will be matched to the intern's skills, gifts, and experience. Interns will receive a stipend of \$1,750 per month for the ten month internship.

WHAT WE ARE LOOKING FOR

We need a creative-thinking, team-oriented storyteller who is willing to learn, grow, and try new things. Our team is committed to our core values (spirituality/reflection, community, simple living and social & ecological justice), but integrate those in their lives in a variety of ways. Vision & Call interns will be engaged in reflection on our core values as they grow over the course of the year. Good candidates will have facility with some technical aspects of communication—web design, video, social media, graphic design, writing. You do not need to be an expert. We hope that this role will help you to sharpen skills you already have, as well as learn new media or programs.

WHAT TO EXPECT

Weekly:

- One-on-one meetings with your mentor/supervisor
- Weekly Vision & Call discussion with interns and mentors

Monthly:

- One monthly grounding and two all staff meetings
- Relevant Team Meetings once or twice a month
- A one-on-one with a different staff person each month

Annually:

- Orientation in August

TO APPLY:

Send a resume, cover letter, and three samples of your work to akingkaiser@jvcnorthwest.org. Resume review will begin April 1, 2024.

Work samples can include: video (including TikToks and reels), social media posts, graphic design, newsletters, fundraising campaign materials, fliers or other print material. Work samples can be from a team if you can articulate your role in the creation of the final product. Samples may also be from an academic project or class; they do not need to be from paid work. Please choose the media that exemplifies your strengths.

As part of our hiring process, we kindly request that you provide two references who can speak to your qualifications and work ethic:

1. Someone who has supervised you
2. Someone who has mentored or taught you

Please include the names, titles, contact information and brief description of your relationships. Thank you!
